play safe! be safe!®

An award winning fire safety education program created especially for children ages 3 - 5

Program Overview

A fascinating and entertaining look into the preschool child's perception of fire, the surprising frequency of children's misuse of fire, practical approaches to teach young children fire safety, and introduction to the award winning *play safe! be safe! kit*.

This program will be taught by *Holly Brown, DNP, RN, NPP, PMHCS-BC*, Fire Proof Children Foundation, a Doctor of Nursing Practice and an Assistant Professor of Clinical Nursing at the University of Rochester School of Nursing.

Kit Includes:

- 20 minute DVD featuring "Firefighter Dan" in English and Spanish.
- Four sets of colorful story cards.
- Two activity boards.
- Keep Away! card game.
- Comprehensive teacher's manual with materials for parents in English and Spanish.

Who Should Attend

This workshop is for nurses, teachers, child care providers, early childhood educators, program managers, and fire and life safety educators.

Class Information

The YFIT, (Youth Firesetter Intervention Team), coalition is geared to help boys and girls that are involved with unsupervised, experimental, mischievous or illegal use of fire.
